## Bio

Thy Gnosis is a dynamic and progressive death metal band hailing from Switzerland. Founded in 2022, the band features the powerful vocals of Markus Gerber, the battering drums of S.U., the expert guitar work of Christian Grü and Jan Beedy and the thunderous bass of Aurel Bodone.

With their debut album "Seroconversion" Thy Gnosis established themselves as a formidable force in the metal scene, crafting atmospheric and intense music that can stand up against the likes of Cytotoxin and Extermination Dismemberment.

The band has played extensively in Switzerland, gaining a loyal fanbase. Their electrifying shows have captivated audiences at their shows as support for Be'lakor and Extermination Dismemberment, leaving no doubt that Thy Gnosis is a band that can rock any stage, big or small.

Looking to the future, Thy Gnosis aims to continue expanding their reach and reaching a bigger audience. The Band hopes to embark on more shows and tours in the near future, bringing their high-energy performance and unforgettable music to fans around the world.

With their captivating live performances and powerful studio recordings, Thy Gnosis is a band that metal fans won't want to miss.

Whether you're a die-hard fan of the genre or a newcomer looking for something new and exciting, Thy Gnosis is the band to go for.
